

## Getting Ready

WIFI

Sofia's mother wakes her up at 7:15... and again at 7:35.

Sofia jumps out of bed and rushes around getting herself ready for the day.

WIFI

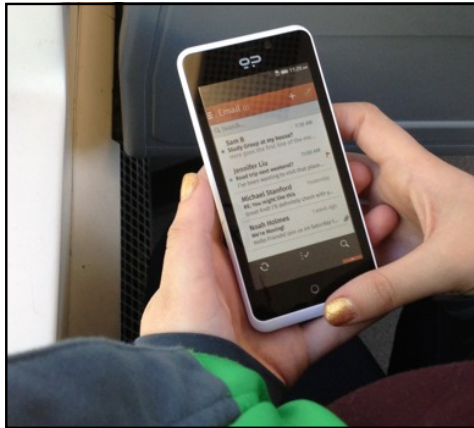

In preparing for the morning commute, her phone grabs the latest data from her favorite sources.

OFF

Running out the door, Sofia just makes it to the bus before it pulls away.

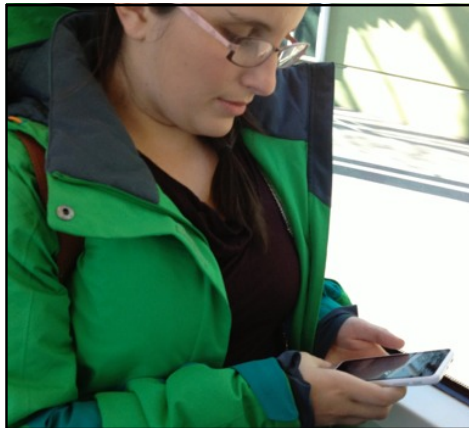

## ***The Commute***

OFF

On the bus, Sofia sifts through the latest status updates and emails.

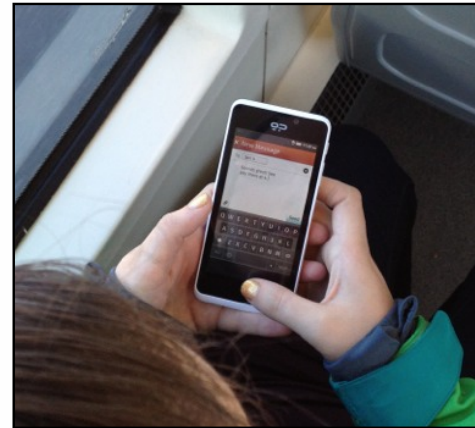

She sees an email from Sam, asking the study group to come to his place after class. He included a link to a map.

3G

Sofia has been wanting to see Sam's new place, but wants to confirm the route to see if she can get home easily.

She clicks on the map link and turns on her 3g, just this once.

OFF

After confirming the route, she writes her rsvp and her email gets added to the queue, waiting to be sent.

## *Coffee Time*

WIFI

Before heading to school, Sofia stops at the cafe. While in line she sees Alexandra.

WIFI

While they are waiting, Sofia feels her phone buzz.

WIFI

The buzz notifies her that her queued email has been successfully sent and her phone is now topped up.

## ***At School***

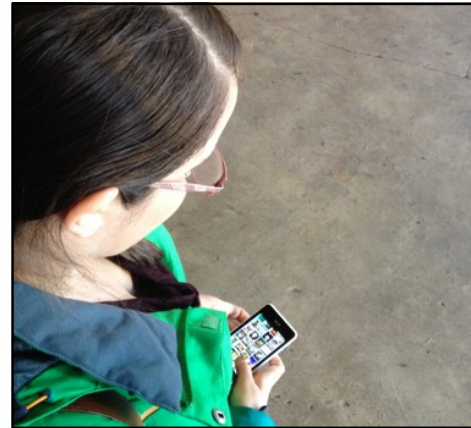

OFF

Art History 101.

OFF

Painting Studio.

OFF

After class, Sophia takes a moment to skim the updates she hadn't had a chance to read since the cafe top up.

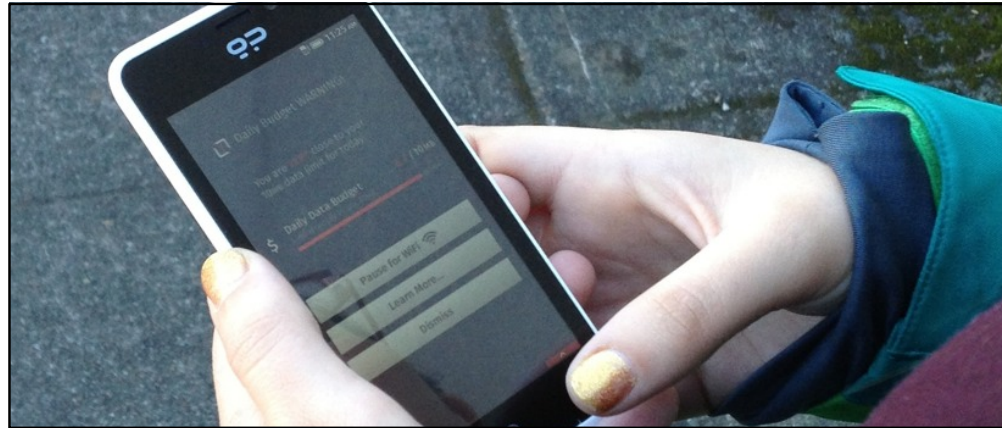

## ***Taking a Break***

**3G**

Sofia's brother posted a video of himself, but there's no free wifi in the Art building.

She decides to turn on 3g for a single serving of data.

**3G**

As she watches the video, she sees her data activity reflected in the status bar.

After a few moments, she receives a notice that she is approaching her daily data limit.

**OFF**

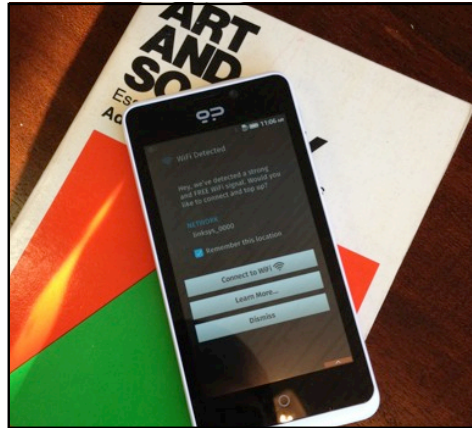

Not wanting to go over her daily budget, she pauses the video stream, so that she can finish it at home.

## Study Group

OFF

After school, Sofia opens the saved map to Sam's place and starts walking.

WIFI

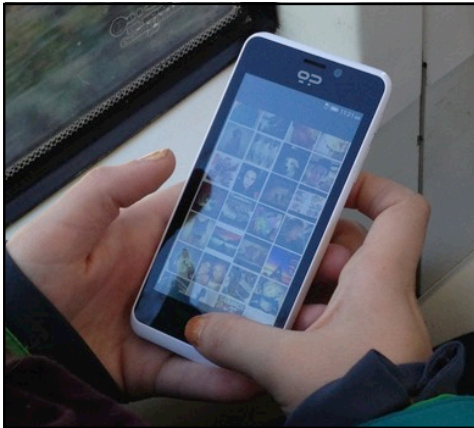

When she gets to Sam's, her phone let's her know that it has found an open and fast wifi connection.

WIFI

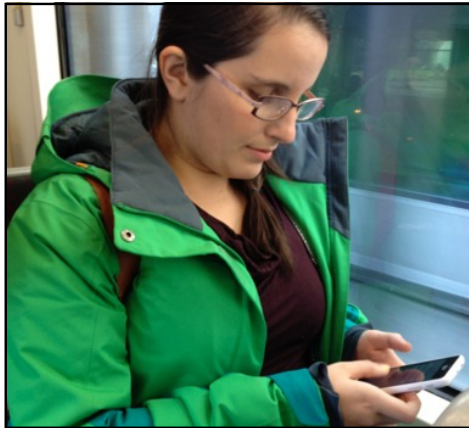

Assuming that she'll be back, Sofia sets Sam's open wifi as a safe Top Up zone, and begins Topping Up.

## ***Heading Home***

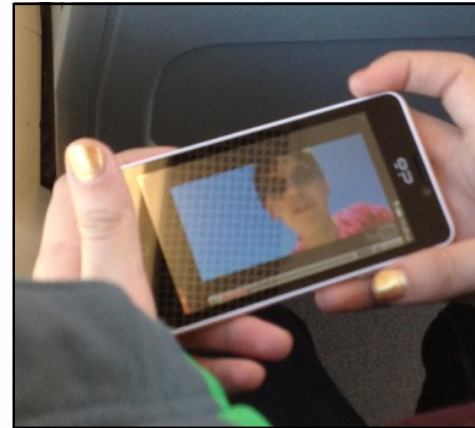

OFF

On her way home from Sam's place, Sofia takes a moment to check all of her updates.

OFF

Thanks to Sam's wifi Top Up, she can finish watching her brother's video.
